| SECTION 2 - HAZARDS IDENTIFICATI                | ON                            |  |                          |  |
| Classification                                  | The product is classif        | The product is classified not hazardous according to Reg. EC 1272/2008 |                          |  |
| Hazards to human                                | No relevant hazard            | No relevant hazards to human   |                          |  |
| Hazards to the Environment                      | No relevant hazard            | No relevant hazards to the environment                                 |                          |  |
| Physical or chemical hazards                    | No relevant physica           | No relevant physical or chemical hazards                               |                          |  |
| SECTION 3 - COMPOSITION/INFORM                  | ATION ON INGREDIENT           | S  |                          |  |
|   |                               |  |                          |  |
| Abrasive Materials                              |                               |  |                          |  |
| Name  |                               | CAS  |                          |  |
| Aluminum Oxide 1344-28-1                        |                               |  |                          |  |
| Silicon Carbide                                 | 409-21-2                      |  |                          |  |
| Adhesive Tape                                   | Proprietary                   |  |                          |  |
| Each abrasive product contains a combination of | the above components per spec |  | redients                 |  |
| that are hazardous as defined by OSHA.          | <u> </u>                      |  |                          |  |
| SECTION 4 - FIRST AID MEASURES                  |                               |  |                          |  |
| Skin Contact No harmful effects known           | No harmful effects known      |  |                          |  |
| Eye Contact Rinse opened eye for seve           | eral minutes under running    | water and seek me  | edical advise if needed. |  |

Not likely due to form of product. If necessary drink water and seek medical advise.

Dust Inhalation Remove from exposure; Seek medical advise if symptoms persist.

| <b>SECTION 5 - FIRE FIGHTING MEASURES</b>   |  |  |  |
|---|--|--|--|
| Flammable   | If yes, under which conditions?              |  |  |
| Yes   | Direct Flame                                 | Direct Flame                                   |  |
| Means of Extinction Water, foam, sand, powder, or CO <sub>2</sub> if compa          | atible with operating conditions.            |  |  |
| Flashpoint (°C) and Method  | Upper Flammable Limit (% by volume)          | Lower Flammable Limit (% by volume)            |  |
| Not applicable  | Not applicable                               | Not applicable                                 |  |
| Auto Ignition Temperature (°C)  | Explosion Data - Sensitivity to Impact       | Explosion Data-Sensitivity to Static Discharge |  |
| Not applicable  | Not applicable                               | Not applicable                                 |  |
| Hazardous Combustion Products   |  |  |  |
| Toxic fumes may occur (NFPA)  |  |  |  |
| (14)  |  |  |  |
| SECTION 6 - ACCIDENTAL RELEASE MEA  | SURES  |  |  |
| Leak and Spill Procedures Not Applicable  | 9  |  |  |
| SECTION 7 - HANDLING AND STORAGE  |  |  |  |
| Handling Procedures and Equipment   | Follow Instructions and relevant nat         | cional, state and local regulations.           |  |
| Storage Requirements  | Follow Instructions and relevant nat         |  |  |
| SECTION 8 - EXPOSURE CONTROL / PER  | SONAL PROTECTION                             |  |  |
| Exposure Limits ACGIH TLV   | OSHA PEL Other (Spe                          | ecify)   |  |
| Specific Engineering Controls (such as ventilation, enc                             | losed process) Not Applicat                  | ole  |  |
| Personal Protective Equipment   | Gloves Respirator                            | r Eye  |  |
| If checked, please specify type: Wear adequate eye protection. Wear adequate respin | rator for application. Wear adequate glove r | protection for application                     |  |
| SECTION 9 - PHYSICAL AND CHEMICAL F   |  | пососиот по принципа                           |  |
| Physical State  | Odor and Appearance                          | Odor Treshold (ppm)                            |  |
| Solid   | Not Applicable                               | Not Applicable                                 |  |
| Specific Gravity  | Vapor Density (air = 1)                      | Vapor Pressure (mmHg)                          |  |
| Not Applicable  Evaporation Rate  | Not Applicable  Boiling Point (°C)           | Not Applicable Freezing Point (°C)             |  |
| Not Applicable  | Not Applicable                               | Not Applicable                                 |  |
| рН  | Coefficient of Water/Oil Distribution        |  |  |
| Not Applicable  | Not Applicable                               | Not Applicable                                 |  |
| SECTION 10 - STABILITY AND REACTIVIT  | Υ  |  |  |
| Chemical Stability  | If no, under which conditions?               |  |  |
| Yes   |  |  |  |
| Incompatibility with Other Substances   | If yes, which ones?                          |  |  |
| No  |  |  |  |
| Reactivity and under what conditions?   |  |  |  |
| Not Applicable  |  |  |  |
| Hazardous Decomposition Products  |  |  |  |
|   |  |  |  |
