

May 24, 2021

To whom it may concern:

The manufacturer of Kimball Midwest product Paragon Plus Hand Cleaner (Item Number 80-020) represents that this product contains soybean oil and walnut shell. This representation relates to the current formulation of this product as of May 2021.

Soybean oil undergoes bleaching and deodorization and is considered highly refined. Highly refined soybean oil does not demonstrate a hazard to allergic individuals as shown in studies using the "gold standard" for food allergy diagnosis, the double-blind placebo-controlled food challenge.

Walnut allergies are a result of reaction to the edible core or pod surrounding the core of the walnut. Walnut shells go through a refining process to remove the edible core and the pod, but may contain trace amounts of the substances that cause allergic reactions.

Please contact 800-233-1294 if you need additional information.

This information has been provided by the manufacturer and is accurate to the best of Kimball Midwest's knowledge. No warranty is expressed or implied regarding its accuracy.
