1 Identification of the substance a	nd manufacturer
Trade name: Other means of identification	Safety Orange Ultra Pro•Max
Product code:	
Article category Recommended use: Uses advised against: Manufacturer/Supplier:	Paint and coatings application. Any that differs from the recommended use. Kimball Midwest 4800 Roberts Road Columbus, OH 43228 800-233-1294 www.kimballmidwest.com
Emergency telephone number:	ChemTrec: 800-424-9300
2 Hazard(s) identification Classification of the substance or m	
Aerosols 1 Eye irritation 2A	H222-H229 Extremely flammable aerosol. Pressurized container: may burst if heated. H319 Causes serious eye irritation.
Carcinogenicity 2	H351 Suspected of causing cancer. Route of exposure: Inhalation.
Specific target organ toxicity (single ex	posure) 3 H336 May cause drowsiness or dizziness.
Specific target organ toxicity (repeated Additional information: GHS Hazard pictograms	exposure) 2 H373 May cause damage to organs through prolonged or repeated exposure.
	GHS02 GHS07 GHS08
Signal word	Danger
Hazard statements	Extremely flammable aerosol. Pressurized container: may burst if heated. Causes serious eye irritation.
	Suspected of causing cancer. Route of exposure: Inhalation.
	May cause drowsiness or dizziness. May cause damage to organs through prolonged or repeated exposure.
Precautionary statements	Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Do not breathe dust/fume/gas/mist/vapors/spray. Avoid breathing fume/mist/vapors/spray. Wash thoroughly after handling. Use only outdoors or in a well-ventilated area.
	Wear protective gloves/protective clothing/eye protection/face protection/hearing protection. Wear protective gloves/protective clothing/eye protection/face protection. If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. IF exposed or concerned: Get medical advice/attention. Call a poison center/doctor if you feel unwell. Get medical advice/attention if you feel unwell. If eye irritation persists: Get medical advice/attention.
	Store in a well ventilated place. Keep container tightly closed. Store locked up.
	Protect from sunlight. Do not expose to temperatures exceeding 122 °F (50 °C). Dispose of contents/container in accordance with local/regional/national/international regulations.
3 Composition/information on ingr Chemical characterization: Mixtures	
Chemical Description:	This product is a mixture of the substances listed below with nonhazardous additions.
Dangerous components:	
67-64-1 Acetone 74-98-6 propane	<u> </u>
106-97-8 n-butane	5-10%
7727-43-7 barium sulfate	5-10%
110-19-0 Isobutyl Acetate 2807-30-9 Glycol Ether EP	5-10%
108-65-6 PM acetate	≥5-<10% 1-5%
123-86-4 butyl acetate	1-5%
107-87-9 Methyl Propyl Ketone	1-5%

4 First-aid measures

After inhalation: After skin contact: Supply fresh air; consult doctor in case of complaints. Remove contaminated clothing. Wash exposed area with soap and water.

(Contd. on page 2)

Revised On 03/12/2025

Trade name: 045			
Trade name: SAFI			
effects: Indication of a	ring: nt symptoms and any immediate medical	(Contd. of page 1) Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor. Rinse mouth with water. Do not induce vomiting. Dizziness	
attention nee	ded:	No further relevant information available.	
5 Fire-fighting			
Extinguishing	g agents:	CO2, extinguishing powder or water spray. Fight larger fires with water spray.	
Special hazar Protective eq	'OS: uinment for	Can form explosive gas-air mixtures.	
firefighters:		A respiratory protective device may be necessary.	
6 Accidental r	elease measures		
	cautions, protective		
equipment an	id emergency	Use reeniratory protective device against the effects of fumes/dust/screed	
procedures: Methods and	material for	Use respiratory protective device against the effects of fumes/dust/aerosol.	
	and cleaning up:	Absorb liquid components with liquid-binding material.	
7 Handling an	d storage		
	or safe handling	Use only in well ventilated areas.	
Storage requi	irements:	Keep away from sources of heat and direct sunlight. Do not warehouse in subfreezing conditions. Store locked up.

rade name: SAFETY ORANGE		
Persistence and degradability: Other information:	The product is degradable after prolonged exposure to natural weathering pro This product does not contain any chlorofluorocarbons (CFC's), hydrochlorof	luorocarbons (HCFC's)
Bioaccumulative potential:	perfluorocarbons (PFC's), heavy metals (chromium, lead, cadmium), p substances (PFA's), or chlorinated solvents. No further relevant information available.	er and polyfluoroalky
Mobility in soil: Other adverse effects:	No further relevant information available. No further relevant information available.	
13 Disposal considerations		
Dispose of in accordance with local, st	tate, and federal regulations. Do not puncture, incinerate, or compact. Partia	Illy empty cans must be
disposed of responsibly. Do not heat or	r cut empty containers with electric or gas torches.	<i></i>
Recommendation: Recommended cleansing agent:	Completely empty cans should be recycled. Water, if necessary with cleansing agents.	
Neconinenced cleansing agent.	Waler, Il necessary with cleansing agents.
