Safety Data Sheet

SECTION 1: Product and company identification					
Product name	: Purple Punisher	Wipes			
Use of the substance/mixture	: Premoistened w	ipe			
Product code	: 80029				
Company	: KIMBALL MIDW PO BOX 2470	EST			
	COLUMBUS, OF	H 43216 - US			
	T 614-219-6100				
Emergency number	: 614-219-6100				
SECTION 2: Hazards identifica	tion				
2.1. Classification of the substan					
GHS-US classification					
Not classified					
2.2. Label elements					
GHS US labelling					
Hazard pictograms (GHS US)	:				
2.3. Other hazards					
No additional information available					
2.4. Unknown acute toxicity (GHS	S US)				
Not applicable.	,,				
SECTION 3: Composition/infor	mation on ingr	edients			
3.1. Substances					
Not applicable					
				1	
3.2. Mixtures					
3.2. Mixtures Name		Product identifier	%	GHS-US classification	
		Product identifier (CAS-No.) 108-32-7	% 3-7	GHS-US classification Eye Irrit. 2A, H319

## 5.2. Special hazards arising from the substance or mixture

Version: 1.0

Safety Data Sheet

Reacti	ivity	: Upon combustion: CO and CO2 are formed.
5.3.	Advice for firefighters	
Firefig	hting instructions	: Exercise caution when fighting any chemical fire. Use water spray or fog for cooling exposed
		containers. Take account of environmentally hazardous firefighting water.
Protec	ction during firefighting	: Do not enter fire area without proper protective equipment, including respiratory protection.
SECT	ION 6: Accidental release	measures
6.1.		ve equipment and emergency procedures
Genera	al measures	: Isolate from fire, if possible, without unnecessary risk.
	For non-emergency personnel	
	ctive equipment	: Protective goggles. Gloves. Protective clothing.
Emerg	gency procedures	: Evacuate unnecessary personnel. Avoid contact with skin, eyes and clothing. Ventilate spillage area.
6.1.2. F	For emergency responders	
Protec	ctive equipment	: Equip cleanup crew with proper protection.
Emerg	gency procedures	: Stop leak if safe to do so. Stop release. Ventilate area.
6.2.	Environmental precautions	
Avoid re	elease to the environment. Prevent	entry to sewers and public waters.
6.3.	Methods and material for cont	ainment and cleaning up
	ntainment	: Contain released product, collect/pump into suitable containers.
	ds for cleaning up	: This material and its container must be disposed of in a safe way, and as per local legislation.
6.4.	Reference to other sections	
	tional information available	
SECT	ION 7: Handling and stora	ge
7.1.	Precautions for safe handling	
Precau	utions for safe handling	: Comply with the legal requirements. Do not handle until all safety precautions have been read and understood. Use personal protective equipment as required. Do not eat, drink or smoke when using this product.
7.2.	Conditions for safe storage, in	cluding any incompatibilities
	ical measures	: Comply with applicable regulations.
Storag	ge conditions	: Keep container closed when not in use.
	je area	: Meet the legal requirements. Store away from heat.
Specia	al rules on packaging	: meet the legal requirements.
SECT	ION 8: Exposure controls/	personal protection
8.1.	Control parameters	
	vlene Carbonate (108-32-7)	
Not ap	oplicable	
8.2.	Exposure controls	
Persor	nal protective equipment	: Use appropriate personal protective equipment when risk assessment indicates this is necessary.
SECT	ION 9: Physical and chemi	cal properties
9.1.	Information on basic physical	
	cal state	: Solid
Appea		: Premoistened wipe
Odour		: Grape
Odour	threshold	: No data available
рН		: 5 – 9 Tested using the liquid component of the towelette
Melting	a point	No data available

: No data available No data available

Melting point Freezing point Boiling point No data available Flash point

: > 210 °F Tested using the liquid component of the towelette : No data available

Relative evaporation rate (butylacetate=1) : No data available

Flammability

Safety Data Sheet

Explosive limits	: No data available
Explosive properties	: No data available
Oxidising properties	: No data available
Vapour pressure	: No data available
Relative density	: No data available
Relative vapour density at 20°C	: No data available
Density	: 1 g/ml Tested using the liquid component of the towelette
Solubility	: Liquid component is soluble in water.
Partition coefficient n-octanol/water (Log Pow)	: No data available
Partition coefficient n-octanol/water (Log Kow)	: No data available
Auto-ignition temperature	: No data available
Decomposition temperature	: No data available
Viscosity	: No data available
Viscosity, kinematic	: No data available
Viscosity, dynamic	: No data available
VOC content	: < 0.5 % Tested using the liquid component of the towelette

## **SECTION 10: Stability and reactivity**

#### 10.1. Reactivity

Upon combustion: CO and CO2 are formed.

#### 10.2. Chemical stability

No additional information available

## 10.3. Possibility of hazardous reactions

## Refer to section 10.1 on Reactivity.

#### 10.4. Conditions to avoid

No additional information available

#### 10.5. Incompatible materials

No additional information available

#### 10.6. Hazardous decomposition products

Under normal conditions of storage and use, hazardous decomposition products should not be produced.

SECTION 11: Toxicological information				
1.1. Information on toxicological eff	fects			
Acute toxicity	: Not classified			
Propylene Carbonate (108-32-7)				
LD50 oral rat	> 5000 mg/kg bodyweight Animal: rat, Guideline: OECD Guideline 401 (Acute Oral Toxicity)			
LD50 dermal rabbit	≥ 2000 mg/kg bodyweight Animal: rabbit, Guideline: OECD Guideline 402 (Acute Dermal Toxicity)			
LC50 Inhalation - Rat	> 5000 mg/m <sup>3</sup> Source: chemIDplus			
Skin corrosion/irritation	: Not classified pH: 5 – 9 Tested using the liquid component of the towelette			
Serious eye damage/irritation	<ul> <li>Not classified</li> <li>pH: 5 – 9 Tested using the liquid component of the towelette</li> </ul>			
Respiratory or skin sensitisation	: Not classified			
Germ cell mutagenicity	: Not classified			
Carcinogenicity	: Not classified			
Reproductive toxicity	: Not classified			
STOT-single exposure	: Not classified			
STOT-repeated exposure	: Not classified			
Propylene Carbonate (108-32-7)				
NOAEL (oral, rat, 90 days)	> 5000 mg/kg bodyweight Animal: rat, Guideline: OECD Guideline 408 (Repeated Dose 90-Day			
	Oral Toxicity Study in Rodents)			
Aspiration hazard	: Not classified			
Symptoms/effects after inhalation	None under normal use.			

Safety Data Sheet

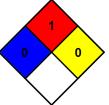

Symptoms/effects after skin contact Symptoms/effects after eye contact Symptoms/effects after ingestion	<ul> <li>Contact during a long period may cause light irritation.</li> <li>Direct contact with the eyes is likely to be irritating.</li> <li>Gastrointestinal complaints.</li> </ul>
SECTION 12: Ecological information	tion
12.1. Toxicity	
Propylene Carbonate (108-32-7)	
LC50 - Fish [1]	> 1000 mg/l Test organisms (species): Cyprinus carpio
EC50 - Crustacea [1]	> 1000 mg/l Test organisms (species): Daphnia magna
12.2. Persistence and degradability	
No additional information available	
12.3. Bioaccumulative potential	
Propylene Carbonate (108-32-7)	
Partition coefficient n-octanol/water (Log P	Pow) -0.41 Source: National Library of Medicine
SECTION 13: Disposal considera	tions
13.1. Waste treatment methods	
13.1. Waste treatment methods Waste treatment methods Product/Packaging disposal recommendations	<ul> <li>Do not flush wipes.</li> <li>Dispose in a safe manner in accordance with local/national regulations.</li> </ul>
Waste treatment methods Product/Packaging disposal	<ul> <li>Do not flush wipes.</li> <li>Dispose in a safe manner in accordance with local/national regulations.</li> </ul>
Waste treatment methods Product/Packaging disposal recommendations SECTION 14: Transport information	<ul> <li>Do not flush wipes.</li> <li>Dispose in a safe manner in accordance with local/national regulations.</li> </ul>
Waste treatment methods Product/Packaging disposal recommendations	<ul> <li>Do not flush wipes.</li> <li>Dispose in a safe manner in accordance with local/national regulations.</li> </ul>
Waste treatment methods Product/Packaging disposal recommendations SECTION 14: Transport informati Department of Transportation (DOT)	<ul> <li>Do not flush wipes.</li> <li>Dispose in a safe manner in accordance with local/national regulations.</li> </ul>
Waste treatment methods Product/Packaging disposal recommendations SECTION 14: Transport information Department of Transportation (DOT) In accordance with DOT : Not regulated	<ul> <li>Do not flush wipes.</li> <li>Dispose in a safe manner in accordance with local/national regulations.</li> </ul>
Waste treatment methods Product/Packaging disposal recommendations SECTION 14: Transport informati Department of Transportation (DOT) In accordance with DOT : Not regulated Additional information Other information ADR	Do not flush wipes.     Dispose in a safe manner in accordance with local/national regulations.
Waste treatment methods Product/Packaging disposal recommendations SECTION 14: Transport informati Department of Transportation (DOT) In accordance with DOT : Not regulated Additional information Other information ADR No additional information available	Do not flush wipes.     Dispose in a safe manner in accordance with local/national regulations.
Waste treatment methods Product/Packaging disposal recommendations SECTION 14: Transport informati Department of Transportation (DOT) In accordance with DOT : Not regulated Additional information Other information ADR No additional information available Transport by sea	Do not flush wipes.     Dispose in a safe manner in accordance with local/national regulations.
Waste treatment methods Product/Packaging disposal recommendations SECTION 14: Transport informati Department of Transportation (DOT) In accordance with DOT : Not regulated Additional information Other information ADR No additional information available Transport by sea UN-No. (IMDG)	Do not flush wipes.     Dispose in a safe manner in accordance with local/national regulations.
Waste treatment methods Product/Packaging disposal recommendations SECTION 14: Transport informati Department of Transportation (DOT) In accordance with DOT : Not regulated Additional information Other information ADR No additional information available Transport by sea UN-No. (IMDG) Air transport	Do not flush wipes.     Dispose in a safe manner in accordance with local/national regulations.
Waste treatment methods Product/Packaging disposal recommendations SECTION 14: Transport informati Department of Transportation (DOT) In accordance with DOT : Not regulated Additional information Other information ADR No additional information available Transport by sea UN-No. (IMDG)	Do not flush wipes.     Dispose in a safe manner in accordance with local/national regulations.
Waste treatment methods Product/Packaging disposal recommendations SECTION 14: Transport informati Department of Transportation (DOT) In accordance with DOT : Not regulated Additional information Other information ADR No additional information available Transport by sea UN-No. (IMDG) Air transport	Do not flush wipes.     Dispose in a safe manner in accordance with local/national regulations.

All components of this product are present and listed as Active on the United States Environmental Protection Agency Toxic Substances Control Act (TSCA) inventory

California Proposition 65 - This product does not contain any substances known to the state of California to cause cancer, developmental and/or reproductive harm

## **SECTION 16: Other information**

NFPA health hazard	<ul> <li>0 - Materials that, under emergency conditions, would offer no hazard beyond that of ordinary combustible materials.</li> </ul>	
NFPA fire hazard NFPA reactivity	<ul> <li>1 - Materials that must be preheated before ignition can occur.</li> <li>0 - Material that in themselves are normally stable, even under fire conditions.</li> </ul>
